

Three Teachable Moments

Having the online safety talk is not a one-time matter, the conversation needs to be ongoing.

First Device

Adopt a family safety agreement to set household rules

Agree rules for this specific device

Explain the Golden Rule when online

First Phone

Emphasize this is a privilege and should be used responsibly

Agree when and where it can be used

Set rules for which apps can be downloaded

Turning 13

Be your child's first follower on social media

Work together to set safety and privacy settings

Discuss ways to handle bad behavior and inappropriate content
