January 2025

Dear families,

As you are probably already aware, our current Year 6 children will sit their SATs (Statutory Assessment Tests) in May 2025. In order to help prepare them to achieve their best, and to keep you informed of what is expected of them, we would like to offer the following opportunities.

Year 6 SATs Parent Information Evening Wednesday 22nd January 5pm - 5.30pm

This session will outline the dates and times of each of the tests, what they entail and some helpful tips and advice to help children prepare. No need to book - just turn up on the night.

Year 6 Target Setting Day Thursday 20th February

We would like to invite you to make an appointment with your child's class teacher to discuss their progress and their targets on **Thursday 20th February**. You can do this by following the link that will be shared closer to the time.

In order to have more time to discuss individual targets and the progress of your child, we will be making appointments available between **9am and 4.30pm**. This will allow you to meet with your child's teacher in replacement of a 5 minute after-school parents' evening. We hope this will allow us to spend a little more time focusing on sharing your child's strengths and discussing individual needs in the run up to the SATs in May 2025 and the end of KS2 in July.

Additionally, we would like to offer the following workshops to help support learning in Maths and English.

Y6 Maths Parent Workshop Tuesday 4th March (4:30pm - 5:30pm)

An informal workshop for parents to help understand the expectations of their children in Maths and methods and questions used in lessons - run by the Y6 teachers. This will be an opportunity to see the methods taught in Maths and a chance to learn and ask questions! (There will also be some motivational tea and biscuits!) Please sign up for the session in the club section of the school gateway app.

Y6 English Parent Workshop Tuesday 25th March (4:30pm - 5:30pm)

Another informal workshop focusing on the expectations in Reading and Writing. This will be an opportunity to see the level of texts the children access in school, understand the range of objectives needed to be a good writer and find out about the best way to support

children from home in reading and writing. Please sign up for the session in the club section of the school gateway app.

If you have any questions at all about these opportunities, then please don't hesitate to contact your child's form tutor.

We look forward to meeting with you all and thank you for your continued support.

The Year 6 Team
